**TUV300**

TOUGH IS WHAT TOUGH DOES

## **IMPOSSIBLE TO IGNORE**

The TUV300's tough design gets a new dual-tone makeover. Giving it a bolder, more premium look. Inspired by the design of a battle tank, the TUV300 is an SUV that commands attention wherever it goes. Its imposing bumpers, high ground clearance and toughened, high-strength steel body allow it to tackle any challenge thrown at it. While its slick static-bending headlamps and chrome-accented fog lamps, make it look right at home on city streets too.
